

LETTER OF RECOMMENDATION

This is a letter of recommendation for Mrs. Debbie Dotson formerly a technology teacher in the Clovis Unified School District. I have known Debbie for the past 15 years in a variety of ways, both personally and professionally. Mrs. Dotson is currently a Regional Channel Manager for Boxlite Inc and Adjunct Faculty at National University.

I know Mrs. Dotson to be a person of character. She is reliable, honest, intelligent and always does what she says she will do. She is always on time. This was both concerning her product, as well as the professional development she delivered as a technology teacher. Her work product was excellent, well thought out and always well received by the teaching staff. Mrs. Dotson used the Common Core technology standards, which she weaved throughout the core curricular areas, to engage the faculty in meaningful learning. Debbie did thoughtful professional development that achieved the expected outcome. Her PD was creative and engaging. She was always very professional and the staff requested her assistance many times due to her expertise. Mrs. Dotson worked with multiple elementary schools, an intermediate school and a high school during her employment with Clovis Unified. She was considered, in Clovis Unified, one of the top technology teachers because of her work at these sites.

Mrs. Dotson engages her adult learners by using any and all technology in the classroom. Mrs. Dotson has demonstrated she understands good pedagogy during. In fact, I believe that she will go above and beyond given the opportunity to teach for your institution. Debbie enjoys teaching and sharing her expertise. She has excellent communication skills and relates well to adult learners. Mrs. Dotson also works well in a team setting and is very collegial. She is open to new ideas and constructive critique as well as continually growing as a learner. This she recently demonstrated by obtaining her M.Ed. specializing in Learning and Technology.

It is without reservation that I recommend Mrs. Dotson for any teaching position she would apply. Should you have any questions please call me.
